1957

# HUNCA®

Established in 1957 by Adnan Hunca, HUNCA Cosmetics is one of the oldest cosmetics company in Turkey.

First milestone on the way to become a market leader was, Hunca Balsam (hairconditioner), the first hair conditioner produced in Turkey and the second in the world.

In 1978, Hunca Cosmetics produced Turkey's first domestic men's perfume and after shave series, Madigan.

Hunca kept its pionerr position with creating many more brands that are well-known locally and globally, such as; Jagler, She, Caldion and Hunca Care.

Çerkezköy Manufacturing Facility is built on the area of 22,000 m2, with an indoor space of 15,000 m2 that is one of the most outstanding cosmetics factory, both in terms of size and capacity. Along with Research and Development department, the facility accommodates Planning, Manufacturing, Logistics and support units.

SINCE 1957

## Market Leader in Cosmetics

Hunca, exports its products to more than 80 countries in Middle East, Asia, Eastern Europe, Africa and Russia. With more than 2.000 barcoded products, Hunca takes firm steps at being one of the global leaders in the sector.

### Turkish Market:

- Market share :11%EDT
- 12 K/A Clients : 4.050 doors
- Traditional Trade : 35.000 doors

### Global Markets:

- Over 80 Countries
- 150 Retail Chains: 4.500 doors
- Traditional Trade Channel: 60.000 doors

MARKET  
**LEADER**  
in COSMETICS

The GMP CERTIFICATE covers business-related protective measures to prevent and reduce the contamination of manufactured products by internal and external factors. With this document, we guarantee that our products are produced within the healthy, safety and environmental standards.

ISO 9001 QUALITY CERTIFICATE with this document, we guarantee that our products are produced with sustainable and repeatable processes and that every product is registered.

ISO 10002 QUALITY CERTIFICATE we guarantee that our customer feedbacks is fairly evaluated and solved.

Approved officially by Turkish Government MINISTRY OF SCIENCE,INDUSTRY & TECHNOLOGY; Hunca Cosmetics Research & Development team in Çerkezköy gained an official certificate in 2017 and thus became RESEARCH & DEVELOPMENT CENTER thanks to Hunca's highly skilled chemical engineers, ultimate technology machines and up-to date formulas which enables extra support of government of Hunca Research studies.

Thanks to its rooted history and achievements in both local and global area, Hunca is one of the first Turkish companies that is appointed to " the national brand-building program TURQUALITY" which was initiated in 2004 by the Turkish Government, Ministry of Economy and Turkish Exporters' Assembly (TIM) to facilitate and support the success of Turkish brands on international arena.

HALAL PRODUCT CERTIFICATE is a neutral expert report that inspects products, additives, preparation and processing methods, hygiene and health conditions in accordance with Islamic rules. With this document, we guarantee that we do not use raw materials contrary to Islamic rules.

# EAU DE COLOGNE

Stimulating the senses and imagination, this unisex cologne series Hunca 1957 is as lasting as a perfume and as refreshing as a cologne. Elegant with its vintage design and timeless with its notes.

120 ml
