# BARRIER-FORMING CARE FOR DRY AND IRRITATED SKIN

SINİR OTU  
Plantago Lanceolata  
Leaf

It has been formulated by the Huncalife R&D Center to provide intensive and nourishing care to dry-worn, irritated skin thanks to its improved formula with plantain (Latin name: *Plantago lanceolata* Leaf) extract.

With its formula containing willow tree leaves, cumin and allantoin, it creates a barrier to your skin and helps your sensitive and irritated skin to relax and look lively. Thanks to its formula containing panthenol, it helps to moisturize your skin.

# Shining Hair

**USAGE:** After shampooing and rinsing the hair; Apply evenly from root to tip of hair. Then massage and leave for a minute or two before rinsing. Then rinse.

## WITH KNOWN FEATURES;

-  **Panthenol (Provitamin B5):** In hair care, the nourishing, repairing vitamin B5 clings to the hair fiber easily and firmly. In this way, it draws moisture to dry hair, softens the hair, adds a fuller appearance and shine.
-  **Aloe Vera:** It helps to provide the moisture that the hair needs. It is anti-scaling with the moisture it brings to the hair and scalp.
-  **Chamomile:** Moisturizes and strengthens your hair. It gives shine and smooth hair.
-  **Horsetail:** It supports you to have thicker hair.
-  **Green Tea:** Green tea, which has a natural tonic effect, gently cares for the hair and scalp.

## NETTLE

Nettle, which is a plant from the 'nettles' family and whose Latin name is *Urtica Dioica*, has a flowery and rooted structure. Nettle, which can be grown in almost all regions of our country, has a wide usage area. Nettle flavonoid compounds, which are known for their antioxidant properties, it is very rich in vitamins C and E and mineral substances.

- It supports the regulation of the oily appearance in your hair.
- It helps nourish your hair.
- It provides lightness to the hair and has a relaxing effect.
- It supports the hair to look voluminous and strong.
- It helps to prevent the problematic appearance of the scalp.
- Worn hair look helps reduce.

“

Contains plant complex  
Thanks to its formula, it helps your hair to be healthier and stronger. It supports deep cleaning without weighing your hair down. It aims to make your hair look brighter and more well-groomed.

# Regenerate with COLLAGEN GLUTATHIONE

“Collagen is one of the most important proteins that increases endurance and gives flexibility to the skin. Wrinkles and sagging on the skin due to aging is a common problem for everyone. The main source of this problem is the lack of collagen. As collagen, which plays an important role in the bonding of bone and muscle tissue, begins to decrease in the body, various problems arise.”

## Who needs to use Collagen and Glutathione?

- ✓ Those whose skin has lost its elasticity
- ✓ Those with wounds on the skin surface
- ✓ Those with skin burns
- ✓ In case of easy breakage, slow growth and peeling of nails
- ✓ Environmental factors and those who experience skin problems in the natural aging process
- ✓ Those with dry and sensitive skin
- ✓ Those who have stretch marks on their body after giving birth
