With its special liquid formula, it aims to give a radiant skin and a healthy glow effect at every angle of your face. It enhances to have bright-looking skin and more distinctive facial features.

## SPECIAL PRODUCT

Give your most precious treasure, your skin, a **24-carat** touch!

- ✓ Sodium PCA, Sodium Hyaluronate, and grape seed formula helps to meet your skin's daily moisture need.
- ✓ It supports the skin to have a bright and homogenous appearance.
- ✓ It gives you a fresh, energetic, shiny, sparkling look and prepares your skin for long-lasting makeup.
- ✓ When 24-carat gold melts on your skin, the refreshing gel gives the skin a fuller look, and your skin shines like gold.

## HOW DO I USE IT?

For a glowing refreshed skin like gold, you can use Cashmere Gold serum, which is interspersed with 24-karat PURE gold, as both makeup primer and face serum.

**Makeup Primer:** Makeup primer makes your skin smoother and your foundation stays firmer by increasing the permanence of the foundation. This helps better to hide problems such as stains and black spots.

**Face Serum:** It moisturizes and nourishes your skin to the deepest layers. It relaxes your skin and helps your skin to feel like you are in a beauty sleep.

As you wish, you can use it as a makeup primer before your makeup, and you can use as a serum after cleansing your skin. Take a little gel and apply it to your face by massaging with the help of your fingers.

Wait a few minutes before applying your makeup.

HAIR CARE

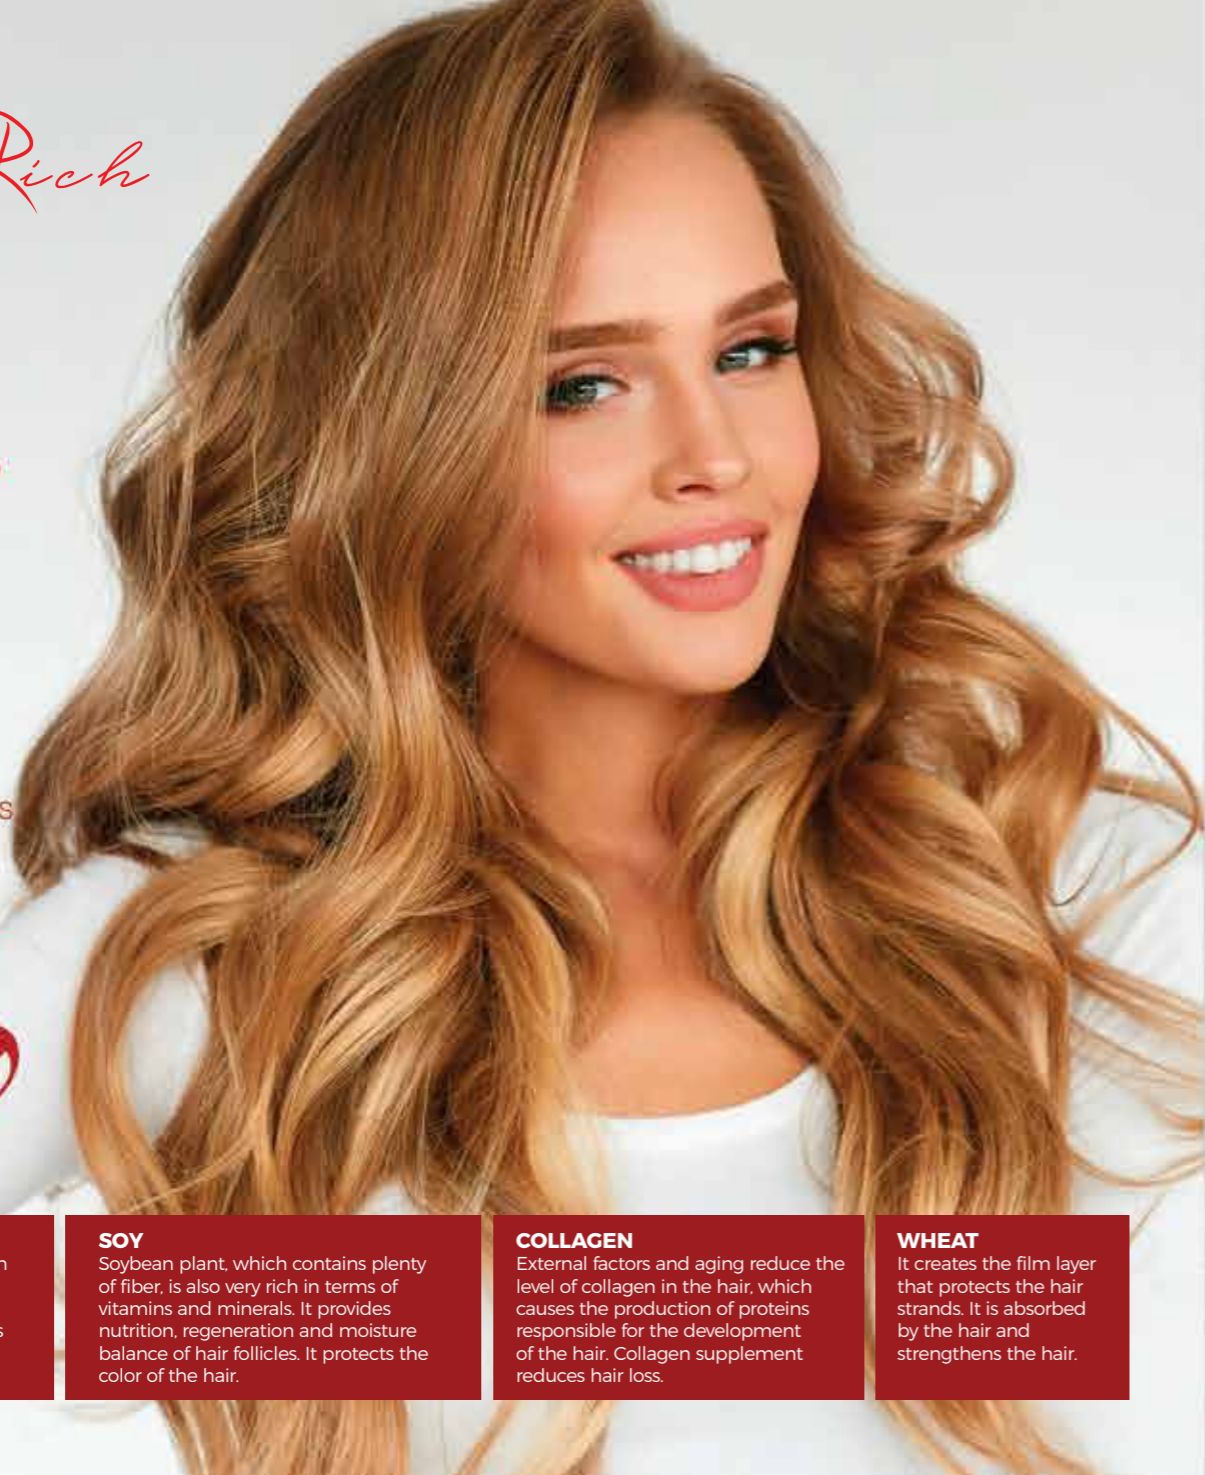

Minarich

“

Let your hair come to life again with protein and keratin loading!

Minarich intensive protein care is a repairing and restructuring series suitable for all hair types the effect is immediately noticeable after use and remains on the hair for 30 days.

”

**KERATIN**

72% of hair is made up of keratin proteins. Hair is formed by the stacking of keratin proteins. It is this protein that gives the hair its elasticity and strength.

**SOY**

Soybean plant, which contains plenty of fiber, is also very rich in terms of vitamins and minerals. It provides nutrition, regeneration and moisture balance of hair follicles. It protects the color of the hair.

**COLLAGEN**

External factors and aging reduce the level of collagen in the hair, which causes the production of proteins responsible for the development of the hair. Collagen supplement reduces hair loss.

**WHEAT**

It creates the film layer that protects the hair strands. It is absorbed by the hair and strengthens the hair.

MINARICH PROFESSIONAL CARE SET IS NOW IN YOUR HOME!

Would you like to restore your old shine and softness to your hair, which has been damaged by factors such as external factors, environmental conditions, dye, highlighting?

HAIR CARE

**STEP I**

It purifies the hair from all external factors, products applied to the hair, sulfate-free colors and residues, hard water minerals such as chlorine and hair styling products by stripping. **USAGE:** Apply the product, which you have taken in sufficient amount according to the frequency of the hair, to wet hair by massaging. Leave on hair for 3 to 5 minutes, then rinse thoroughly. Repeat the same process a second time.

**STEP II**

It gives hair growth and repair properties. It softens the hair, helps it gain elasticity and strength. **USAGE:** Apply the product you have taken in sufficient amount to the bottom, length and ends of the hair. 3 to 5 min. Leave in hair, then rinse thoroughly. Thoroughly dehumidify the hair.

**STEP III**

It supports the recovery of the substances in the basic structure of the hair but lost. It helps strengthen the hair by covering the damaged areas. **USAGE:** Thoroughly dehumidify the hair. Separate 5 g of Constructive Hair Mask into a bowl. Divide the hair into 4 zones and apply the product you have taken in small quantities to the lengths and ends, starting from the ends of the hair. Do not rinse, it is a no-rinse product that must remain on the hair. Blow dry your hair, which you have thoroughly dried with a blow dryer, without waiting. In order for the actives in the product to have a good effect on the hair, apply the hair straightener set at 170-180 °C to the entire hair after blow-drying. The product does not have a smoothing effect.
